**The Cathedral's Gardens continued to serve as a Haven of Peace during the second Pandemic Year**

**During this challenging time**, the 57 acres of gardens, grounds and woodlands surrounding Washington National Cathedral have remained open to the public.

**While the pandemic hampered our primary fundraising efforts,** we continued to work hard to keep our friends close to us by expanding virtual access to the Bishop's Garden through an on-line tour and podcast, both of which can be accessed [HERE](#).

**We can't wait to see you in person in the future,** but in the meantime, please enjoy a
