July 31, 2020

All Hallows Guild has recently lost two extraordinary and dedicated members.

Remembering Kimmarie Brown Jamison and Hilda Hutchins McCollum – individuals of amazing capability and generous spirit.

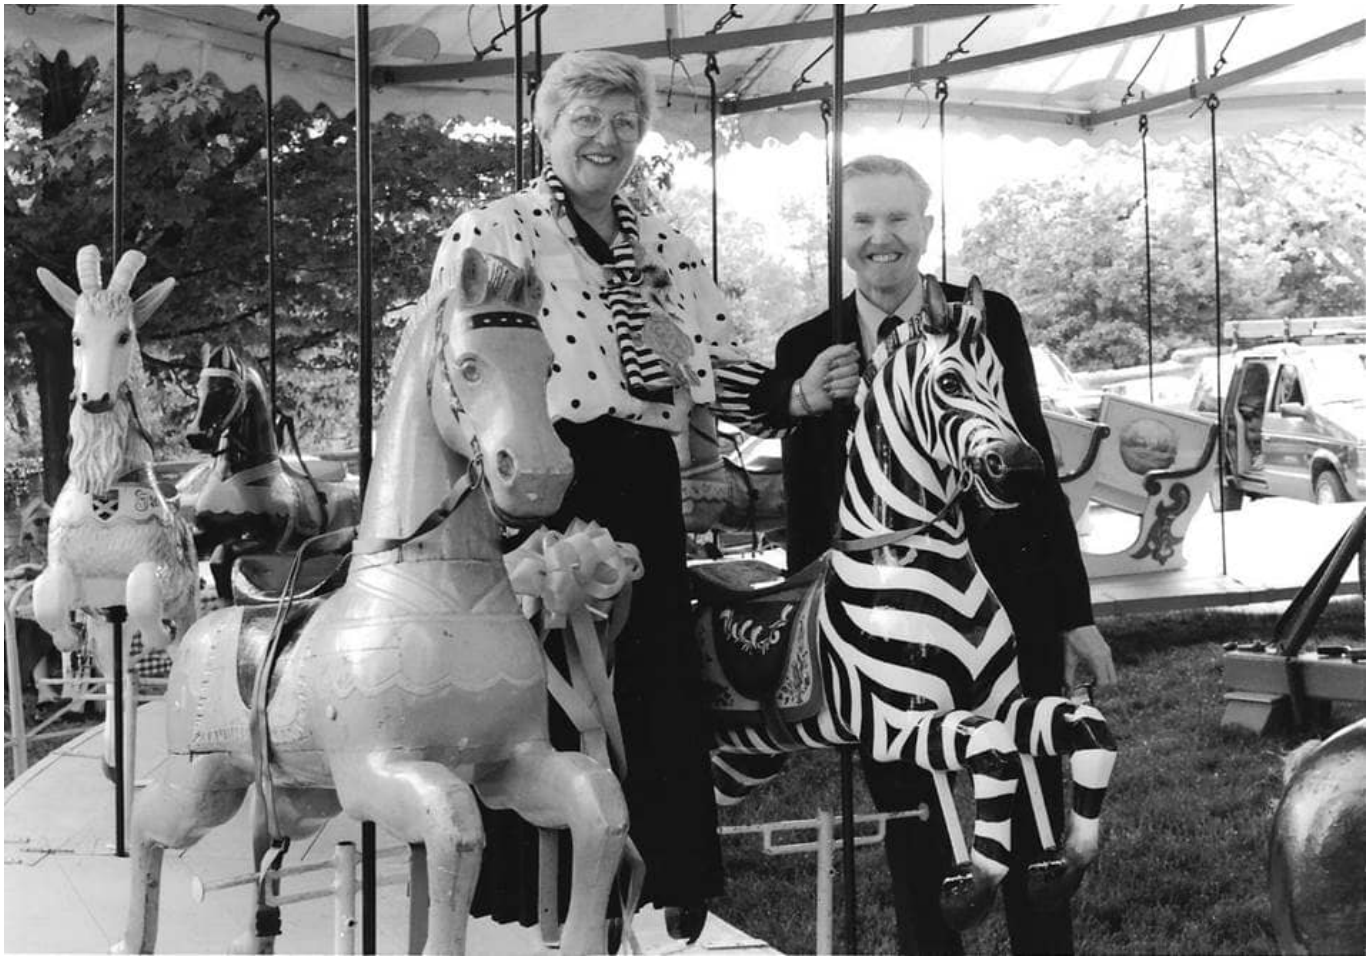

Kimmarie Brown Jamison

Kimmarie (on the left) with fellow new AHG Board Members in 2007

Kimmarie Brown Jamison of Washington, DC, attended Spelman College. As a full-time DC government employee and mother of three children attending Cathedral schools, she showed remarkable dedication to the Guild. Kimmarie spent many years working on Flower Mart, first with Children's Rides and Games of which she became chair and later bringing her considerable organizational skills to the chairmanship of Special Events. Although her tenure on the Guild board was brief, Kimmarie personified that spirit of caring and supporting that is the hallmark of All Hallows Guild and the other institutions on the Cathedral Close.

Hilda Hutchins McCollum

Hilda on the carousel at Flower Mart 1993

Hailing from Bangor, Maine, **Hilda Hutchins McCollum** spent many years in the Washington area. A graduate of Madeira and Colby College, Hilda was actively involved with All Hallows Guild and other area charitable organizations. She was imbued with a joyful energy and a productive hands-on manner, serving for ten years as an active AHG board member, then as an associate for 23 years. She was a versatile and generous volunteer: Chair of the 1987 Flower Mart saluting Sweden, a long-time Tour and Tea volunteer, a Guild officer, and member of a number of Guild committees. Hilda also gave *Coco*, the carousel zebra, in memory of her mother and to honor the artists of the Nation's Capital Chapter of the National Society of Tole and Decorative Painters.
